

Connecting "what to learn" with "how to learn"

Mission:

LARC advances academic success through proven active learning strategies, peer-to-peer collaboration, campus partnerships, and leadership development

LARC After Dark

provides free walk-in assistance where students in Bio, Chem, Physics, & Math may join their peers to:

- Ask Questions
- Discuss Assignments
- Create Study Groups
- Study for Exams

See our website for schedule.

Consult an Academic Coach

for individualized study skills support. Schedule a Consultation at: <https://appointments.web.uci.edu>

LARC Tutorials

LARC's regularly scheduled tutorials support student learning in challenging courses with fun, collaborative live sessions. Enrollment opens Wednesday of Week 0, and remains open until Week 6. Sessions begin Wednesday/ & Thursday of Week 1.

Register at: enroll.larc.uci.edu

LARC Workshops:

Want to improve your study skills? LARC workshops are free 50-minute interactive group sessions that provide proven approaches and coaching for:

- Time Management
- Study Tools and Strategies
- Note taking and Exam Preparation
- Study Groups
- Online Learning

**partner workshop facilitated by the Writing Center.*

What are students saying about LARC?

"LARC is very worth it, especially while dealing with the remote format."

"Not only have I discovered new ways to absorb materials, I have also learned so much from my peers. I can't thank them enough."

"It helps you feel on track, and it's a safe space to learn and make mistakes."
